Lakeshore Elementary School.*

Don't Know What A 21st Century Classroom Is? ...

The Lakeshore Excellence Foundation invites you to experience the 21st Century Classroom through our Technology Showcase – BITS, BYTES, and THE BEST on Saturday, February 27, 2010 6:30 P.M. at the Vineland Center.

Come enjoy dinner and a “taste” of technology as you learn and interact with the technology that is in some of our classrooms today. It is our goal to bring state of the art technology to ALL of our classrooms across the district. This hands-on fundraising event will begin to provide the resources needed to make the goal a reality. Please make your reservation today by visiting www.l-e-f.org and click on “Bits, Bytes and The Best” or to receive an invitation call Kim Risk at 556-9052.

Lakeshore Distinguished Alumni Award

Do you know of a person who graduated from Lakeshore, Baroda, or Stevensville High School, 10 (Class of 2000) or more years ago, who demonstrates a high level of achievement in his/her field and has made significant contributions to that field? If so, does this person exhibit leadership, character, and service at work in his/her community or in a civic organization?

The Lakeshore Excellence Foundation is once again seeking nominations from you for its fourth Annual “Lakeshore Distinguished Alumni Award.” Applications are available on our website www.l-e-f.org. Nominations will be accepted until March 1, 2010.

The recipient will be invited to speak briefly on Sunday June 6th, 2010 at the graduation ceremony.

If you nominated someone last year please send us an update.

Submit your nomination now!

Assets Advisory Committee – Students Taking Action

The AAC is an active group of high school students sponsored by the **Lakeshore Excellence Foundation**. The group takes an active role within our schools as well as within our community. Here are just a few of their more recent projects, as well as future projects:

In December, AAC had an opportunity to help five local families going through difficult times by “adopting” them for the holidays. The students and their families along with a group of helpers from *United Federal Credit Union* provided gifts and food for the adopted families. The group's generosity was overwhelming and greatly appreciated. Some of the AAC kids are also helping at the elementary schools by mentoring young students after school. In March, they will run a contest among the high school's 1st hour classes to collect gently used books that will be donated to local children's programs and libraries. Looking ahead to Spring, in April and May, the group will focus on helping our environment. Beginning in mid-April, they will kick off their *3rd Annual NIKE Reuse-A-Shoe Recycling Drive*. They will be collecting worn out athletic style shoes at all Lakeshore schools. Please start saving your old shoes for the drive....look for more details soon. In May, the AAC will be cleaning Lincoln Twp. Beach Park for the 5th year. They will enlist the help of their fellow high school students to help make the beach and park a cleaner environment for the community to enjoy. These kids are working hard to make a difference in our schools and in our community.
