Growing Lakeshore Pride

This fall, the front of Lakeshore High School has been enhanced with a tiled patio, stone flower boxes, landscaping boulders, flowering plants, bushes and trees. This is all part of the Lakeshore Excellence Foundation's project to install major landscaping and improve the curb appeal of our high school, a central hub of the community. Think of all the events held at the high school, from sports and theatre to meetings and dinners. How much more welcoming to enter through a pleasing, attractive environment.

The LEF supports "Growing Lakeshore Pride" to reflect the quality of our students and staff and to improve the aesthetics of Lakeshore. Although all the beddings have been mulched and edged, there are still many plants needed to round out the plan designed by Nature's Way. The total project cost of \$30,000 is being raised by the LEF through tax-deductible contributions from Lakeshore families and businesses. Your support is needed!

Please consider making a contribution of your own "green" dollars to help our project continue growing "green". Send your donation to: LEF, 5771 Cleveland Avenue, Stevensville, 49127 and include "Growing Lakeshore Pride" on the memo line.

Lakeshore Excellence Foundation - Recipient of Donation from Whirlpool Supply Chain Organization (WHR SC)

The Whirlpool Supply Chain Organization (WHR SC) has donated \$37,500 to the Lakeshore Excellence Foundation (LEF) to be used in support of LEF educational initiatives for Lakeshore students. Equal amounts have been donated to foundations serving St. Joseph and Benton Harbor schools.

The WHR SC has relationships with over 600 logistics providers who service Whirlpool on a global basis. In 2007, WHR SC had a meeting with the top providers asking them to contribute to this educational fund. The contributions come from people who move appliances globally for Whirlpool customers. The WHR SC has 600 employees with their main offices located on Hilltop Road in St. Joseph, Michigan.

GETTING READY FOR KINDERGARTEN

The Lakeshore Excellence Foundation took an opportunity to welcome the new kindergarten classes to Lakeshore, by giving them a children's classic book ... *Miss Bindergarten Gets Ready for Kindergarten*. Through an anonymous donation, this is the second year LEF has made this presentation. The books were given to the kindergarten classes at Roosevelt, Stewart, and Hollywood Elementary Schools on their first day of school. By the looks of the picture shown at left, the Stewart children received their gifts with enthusiasm.
