

# Lakeshore Excellence Foundation: How "2¢ Make Change"

This past School Year, LEF introduced a new **Project Grant** process similar to our existing Innovative Grant, to appeal directly to staff, PTOs, parents and involved community members to identify opportunities that enhance learning, for which only private funding can provide.

Along with your contributions, LEF funded over \$75,000 in Project Grants and other Grants reaching each school building in our district, and impacting students in every grade level.

**Congratulations to the 2008-09 Grant recipients listed on the back of this page.**

One ongoing fund development goal is to continue to raise monies toward the fulfillment of your Innovative or Project Grant ideas.

Last year, LEF introduced the **2¢ Campaign**, requesting 2 cents an hour from LPS staff. A \$1 or more per week gift from each individual would amass thousands of dollars-- greatly impacting LEF's ability to provide for the collective enrichment of the Lakeshore district.

Your 2¢ make change in how we are able to fund projects, how we demonstrate staff support to our donors, and how we put into practice our commitment to **Reach Higher!**

**Thank you to the Lakeshore Schools Staff foundation investors listed on the back of this page.**

Another ongoing goal is to continue to build staff support, enhancing our ability to leverage the commitment from our own LPS staff to members of the community for their financial support of our mission.

## LEF Mission Statement:

"It shall be the Mission of the Lakeshore Excellence Foundation to acquire and distribute resources in support of the Lakeshore Public Schools for the programs and projects aimed at enhancing, enriching or supplementing learning opportunities for Students, Staff and Community."
